To Whom It May Concern:

As lead partner of the Creative Europe funded large-scale cooperation project DANCE ON, PASS ON, DREAM ON 2020–2024 (www.dopodo.eu), we confirm that Nomad Dance Academy Slovenia is a beneficiary and an important partner in the project. We are working towards a Europe where older dancers are valued for their experience and charisma, where our common European dance heritage is cherished and serves to inspire younger artists, and where older people are respected and engage in meaningful, creative activities.

We confirm that in 2022, the following activities will be co-funded by the Creative Europe programme of the European Union with up to 95.000 EUR as part of part of DANCE ON, PASS ON, DREAM ON:

Cofestival (2022, 2023 and 2024)
Archiving and digitalization process (2022)
To Paint the Air - coproduction of a two-year opus (2022 and 2023)
CoTeaching education format (2022)

The EU grant covers a maximum of 50% of the entire budget for the project, up to the amount stated in the grant agreement.
